Peach Blueberry Ice

The background is a light gray with a pattern of faint, stylized icons related to dry herb vaporizers. These include various shapes of vaporizers, a lightning bolt, a resistor symbol (Ω), and the word "VAPE" in a light purple font. The icons are scattered across the background, with some appearing more prominently than others.

DRY HERB VAPORIZER

FLOWERMATE V5 NANO

Features

Key features include those found throughout the V5 series such as a glass mouthpiece that can be disassembled and tucked into the actual device for easy storage and less smell, large chamber for single or group sessions, and fully isolated air path to ensure a clean and pure taste of the material being consumed

- External 18650 battery
- 30 second heat up time
- Discreet and easy to conceal

FLOWERMATE AURA

Features

The Aura is an ultra-portable pen style vaporizer designed for both dry materials and liquids. The digital display increases precision and allows the user to tune in to the exact temperature performance. The Aura is efficient and has an exceptional battery life; truly a gem from the Flowermate line.

- 100% Pure Vapour - No chance of combustion
- 7 Heat jets to ensure maximum extraction and airflow
- 2 Hours of use per charge
- Compact Pen Design; 6" Tall
- Heats in less than a minute
- Digital display with single digit heat range 104°F-446°F (40°C-230°C)

FLOWERMATE CapPRO

Features

CapPRO by Flowermate is a sleek and stylish dry herb vaporizer. Featuring a massive 2000 mAh battery life and a high-resolution OLED display, the CapPRO is designed with the modern user in mind.

- Glazed Stainless Steel Heating Chamber
- Zirconia Mouthpiece Path
- Heat Up In 30 Seconds
- Full Temperature Control
- Stealthy Size
- Haptic Feedback
- Matted Finish Aluminum Body

WIX OIL VAPORIZER

Features

Wix features an all borosilicate heating chamber that delivers smooth hits with ultra-crisp flavor. Includes black ceramic mouthpiece that allows easy and comfortable puffs.

- Zirconia Mouthpiece
- Pure Ceramic Heating Coil
- Replaceable Atomizer
- 3 Pre-setting Temperature
- 10 seconds Pre-heating
- Compliant 510 Threading
- Type-C charging

5G HERBVA

***Available in 2 shades**

Features

The tiniest portable vaporizer! The Airistech 5G Herbva is for dry herbs, and for the best experience, you will need a grinder to make sure the herb is finely ground before use.

- Tiny, pocket-sized unit
- Set temperatures: Green 390F (low), Blue 405F (mid), White 420F (high)
- Fast heating in under a minute
- 6 MONTH WARRANTY

COOKIES METAL GRINDER

Features

The perfect pocket-sized grinder for on the go.

Strong magnetic closure.

Diamond teeth for smooth grinding.
